

**Draft: Section M Notification: Use of Past Performance Information Retrieval System-  
Statistical Reporting in Past Performance Evaluation**

The following notification, to be used in conjunction with standard past performance provisions and clauses, may be adapted for use in solicitations when Past Performance Information Retrieval System-Statistical Reporting will be used to evaluate offeror's past performance.

**USE OF PAST PERFORMANCE INFORMATION RETRIEVAL SYSTEM-  
STATISTICAL REPORTING (PPIRS-SR) IN PAST PERFORMANCE EVALUATION**

- (1) Each offeror's past performance shall be evaluated in accordance with FAR 13.106-2 or 15.305(a)(2), as applicable. The Department of Defense has authorized use of PPIRS-SR for use by Department of Defense activities during the acquisition of supplies and services. For purposes of this solicitation, contractor past performance will be based on data from PPIRS-SR. The offeror's quality and delivery classifications from PPIRS-SR will be used in conjunction with the offeror's references, the criteria in FAR 13.106-2 or 15.305(a)(2)-as applicable-and other provisions of this solicitation.
- (2) The purpose of PPIRS-SR is to provide source selection officials with quantifiable past performance information regarding delivery and quality. This information is collected from existing DoD reporting systems during the source selection process.
- (3) Quality: PPIRS-SR collects quantifiable quality data from existing systems and uses that data to classify supplier performance by Federal Supply Code or Federal Service Code (FSC group). Based on comparisons among suppliers in a specific FSC group, PPIRS-SR sorts suppliers into color ratings representing the supplier's overall quality performance based on the following indices:

<u>Color</u>	<u>Position</u>
Dark Blue	Top 5% of suppliers in FSC group
Purple	Next 10% of suppliers in FSC group
Green	Next 70% of suppliers in FSC group
Yellow	Next 10% of suppliers in FSC group
Red	Bottom 5% of suppliers in FSC group

(Note: If all supplier ratings for a specific FSC group are equal, all suppliers within that group will be classified Green. Suppliers with no history in PPIRS-SR will be displayed without a rating and, for evaluation, receive a neutral rating.)

**Draft: Section M Notification: Use of Past Performance Information Retrieval System-  
Statistical Reporting in Past Performance Evaluation (con't)**

- (4) Delivery: Supplier delivery past performance is classified in PPIRS-SR by the suppliers percentage of on-time deliveries. On-time deliveries are calculated using the number of line items delivered and a weighting factor reflecting the length of time a delivery was overdue.**
- (5) PPIRS-SR classifications are determined monthly for each supplier and can be reviewed at <http://www.ppirs.gov/>. Suppliers are granted access to review their own classifications. Offerors are encouraged to review their classifications and the PPIRS-SR methodology, reporting procedures and challenge procedures detailed in the PPIRS-SR Procedures Manual and Users Guide also available at <http://www.ppirs.gov/>.**

**(End of Notice)**
