MEMORANDUM FOR DISTRIBUTION

SUBJECT: Preservation and Storage of Tooling for Major Defense Acquisition Programs (MDAPs)

The attached memorandum from the Under Secretary of Defense for Acquisition, Technology and Logistics establishes implementing policy for P.L. 110-417 regarding subject requirements. This policy requires MDAP Program Managers to include a plan for preservation and storage of unique tooling as an annex to the Life Cycle Sustainment Plan (LCSP) submitted for Milestone Decision Authority approval at Milestone C. The memorandum also provides guidance for content of the preservation and storage plan, as well as complying with DoDI 8320.04 requirements for Item Unique Identification (IUID) Standards for Tangible Personal Property.

DASN Acquisition & Logistics Management will issue a forthcoming memorandum addressing specific content requirements for the LCSP including tooling. During the interim, contact Ms. Patricia Vonperbandt at (703)-614-4287 or e-mail at patricia.vonperbandt@navy.mil or Ms. Rose Bartlett at (703)-693-4013 or e-mail at rosalind.bartlett@navy.mil for further information.
